### UDWR Officers Seek Information in Bull Moose Killing

**October 24, 2011**

Summit County-

On October 21 2011, the carcass of a bull moose was located near Whitney Reservoir in Summit County. The animal was lying next to the Whitney Road in the West Fork of the Bear River drainage. The bull moose had been shot twice with a .40 caliber hand gun and left where it had died.

Officers are looking for the person or persons responsible for this crime. Individuals with information regarding this incident are encouraged to contact the UTiP Hotline, at 800-662-3337.

Rewards are available for information that leads to the successful prosecution of those responsible.
